Player Spot Light: Brooke Meyers

From tennis player to volleyball player, Brooke Meyers has made a great transition from individual sport to being a great team player. Brooke is in 8th grade at Pine Ridge Middle School where she has played on her school volleyball team for the past two years. She is the setter on the 14 Regional Team. Her goal this year is to improve her skills and

become a great setter for her team.

Naples Juniors wants to wish Brooke the very best for the season !!!

Coach Marker on Brooke.....

Brooke Meyers came to our 14 Regional team through our league program. Our team was looking for a setter and from the moment I saw Brooke, I knew she was the player I wanted. Brooke has worked very hard this season, coming in early before practice to work on her setting skills. She

is very determined to improve her skills and is always working hard to do so. Brooke is a vocal leader on the floor as well with her teammates. She is our team leader and pushes her teammates to be better. Off the court, Brooke is very outgoing and on trips, can be heard singing

and talking with the girls in the van and in the hotel rooms. She also played basketball for her middle school team this past winter. Brooke is everything a coach could ask for and more.

Coaches Corner by Coach Hubbard

As we enter the final weeks of our travel season I look forward to seeing just how far we have come. As a club with many new players especially in our younger teams it has been fun and rewarding to see the development made this season. I hope that everyone feels they have benefitted from the

training they have received where it be physical with the Extreme program's partnership with CrossFit Redline, skill driven from practices, experience from tournaments, or as a human being from the caring of the Naples Juniors Community and Family. Let's remember we aren't done yet either, let's

all go out and make our marks in the volleyball world in our remaining events and bring home some hardware for all to see!!! Good luck in the next few weeks at your events, I hope to see and hear GREAT things!!!
