I would like to welcome all new and returning Naples Juniors players and parents to our 2011 season. I am extremely excited to see the teams and players grow and compete in our sport of volleyball. This season is shaping up to be another good one with great possibilities.

We as a club are excited to be working to unveil a new more user friendly website that will make our communications with you more

efficient, so be on the look out for that soon. We are also excited about our partnership with CrossFit Redline and our Extreme Team program, it should be a great boost to our athletes and coaches.

Finally, you should receive a copy of our 2011 Directory soon, please use this for club/team purposes only, this isn't for business or solicitations. I look forward to seeing you all at upcoming practices or

events as our players take to the floor giving it their all to represent us all.

GO JUNIORS!!!

Coaches Corner by Coach Hubbard

Welcome everyone to our 2011 season here at Naples Juniors!!! We are excited to be working with all the parents and players this season. Our coaching staff will be working hard this season to help our players and teams exceed their expectations. We hope the girls will gain great friendship and playing experiences with us this year!

Parents, as always practices are open for you to view and see what is happening. The players will be pushed to become better players and encour-

aged to become great young women. We pride ourselves on not only developing the "on-court" player but the "complete" person in our training. If you ever have any questions or concerns about the game of volleyball or what we are doing please feel free to contact me.

Players please remember we are here to help you achieve all that YOU want to achieve, nothing goes further to help that happen then you coming to the gym excited and ready to work/learn. Our coaches have great ideas

and can give you the tools for YOU to use as you mature as a player and as a person. We look forward to pushing you to your extremes and taking you to a level you may have only dreamed you could go or always knew you could but just needed the tools and a push.

We are happy you are all apart of Naples Juniors this season and I know we will have a great season once again!!!

Go Naples Juniors!!!
