Fundraiser Success at Greenway Landscape Supply

Congratulations!

The girls (and mom's, dad's, brother's, sister's & Coach Hubbard) washed a lot of cars, trucks & vans that day. Lot of soap, water and hot dogs later we raised just under \$2,000.00. Also, thank you to Jim & Amy Ridinger who donated the property and also donated 10% of their daily sales to the club.

Most importantly it was great to see all the team bonding. The girls have all gotten to know each other pretty well and it was great to see them all having so much fun and for a good cause. A lot of customers came in just to support their "team spirit".

February Birthdays:

Alainah Hacker - 15th

Gabrielle Forte - 25th

Spot Light:

This month I would like to recognize BOTH Coach Hubbard and Anne Fredette. I became a board member at the beginning of this season and I want all the parents to know what a great club the Naples Juniors is. Rich and Anne devote so much time and are so dedicated to these girls. They want to make sure everything is just right and that each and every one of them is treated equal. They strive on team bonding and communication. There is so much that goes on behind the scenes to make sure everything is perfect and I just wanted to say "Thank You" for giving us as parents the opportunity to have our children be a part of such a great organization. Without you both, Naples Juniors wouldn't be what it is today!
